Re: Pam Stewart vs. Ryan Bellew

EPC No.: 18-0013-RT; DOE No.: 1282429

#### Dear Mr. Bellew:

As you know, the teacher panel of the Education Practices Commission reviewed the matter pending against you. The panel concluded that you violated the Principles of Professional Conduct for the Education Profession prescribed by the State Board of Education rules and hereby reprimands you for the conduct alleged in the Administrative Complaint which is incorporated herein.

This panel, which includes fellow educators, believes that, as a teacher, you are required to exercise a measure of leadership beyond reproach. By your actions, you have lessened the reputation of all who practice our profession and have diminished your position as an educational leader. The profession cannot condone your actions, nor can the public who employ us.

The Education Practices Commission sincerely hopes it is your intention never to violate any professional obligation in fulfilling your responsibilities as an educator. To violate the standards of the profession will surely result in further action.

This letter of reprimand is being placed in your state certification file, and a copy is being sent to the Brevard County School Board for placement in your personnel file.

Sincerely,

Christie Gold Presiding Officer
