SETTLEMENT AGREEMENT

COME NOW the Petitioner and the Respondent, who hereby stipulate and agree as follows:

1. The Respondent holds Florida teaching certificate 348001 issued by the Florida Department of Education covering the areas of elementary education and special learning disabilities education, which is valid through June 30, 1999.
2. At all times pertinent hereto, the Respondent was employed as a Title 1 teacher at Riviero Elementary School, in the Brevard County School District
3. The Respondent neither admits nor denies, but elects not to contest the allegations set forth in the Petitioner's Administrative Complaint, which are incorporated herein by reference.
4. The Respondent agrees to accept two summer suspensions of her Florida Educator's certificate. The first commencing June 15, 1999 and ending July 31, 1999, and the second summer suspension commencing June 15, 2000 and ending July 31, 2000.
5. The Respondent agrees to accept a letter of reprimand, a copy of which shall be placed in her certification file with the Department of Education, and a copy of which shall be placed in her personnel file with the employing school district.

6. The Respondent agrees, prior to employment or certification as an educator, or within thirty days of the issuance of the Final Order accepting this settlement agreement, whichever occurs later, to submit to an evaluation by a substance abuse counselor approved by the Recovery Network Program and undergo all recommended courses of treatment. Respondent shall submit written verification of successful completion of treatment. All cost are to be borne by Respondent.

7. The Respondent agrees that she shall be placed on probation for a period of 3 years, commencing upon the issuance of the Final Order by the Education Practices Commission [EPC] accepting this settlement agreement if the Respondent is currently employed as an educator in Florida. If the Respondent is not currently employed as an educator in Florida, the probationary period shall commence upon her reemployment as an educator in Florida. In the event that the Respondent's employment in the teaching profession is interrupted for any reason prior to the expiration of the probationary period, the probationary period shall be tolled until such time as the Respondent resumes employment as an educator in Florida. As conditions of probation, the Respondent shall:

(a) immediately contact the EPC upon any reemployment in the teaching profession within Florida [or if employed as an educator in Florida, shall contact the EPC within 10 days of the issuance of the Final Order accepting this Settlement Agreement], indicating the name and address of the school, as well as the name, address and telephone number of her immediate supervisor;

(b) make arrangements for her immediate supervisor to provide the EPC with a true and accurate copy of each written annual performance evaluation or assessment prepared by her supervisor within 10 days of its preparation;

(c) pay to the EPC \$150 00 within the first six months of each probation year to defray the costs of monitoring probation,

(d) submit to random blood and/or urine testing at the direction of the Education Practices Commission, the director of the Recovery Network Program, or the employing school district;

(e) violate no law and shall fully comply with all district school board regulations, school rules and State Board of Education Rule 6B-1.006; and,

(f) satisfactorily perform her assigned duties in a competent, professional manner.

8. In the event the Respondent fails to comply with each condition of probation set forth herein, the Respondent agrees that the Petitioner shall be authorized to file an Administrative Complaint for sanctions up to and including the revocation of her teaching certificate based upon the violation of the terms of this agreement.

9. The parties acknowledge and the Respondent agrees that any costs associated with the fulfillment of the terms of this agreement and the terms of the Respondent's probation, including the statutory \$150.00 per year EPC monitoring fee, shall be the sole responsibility of the Respondent. It is provided that the probation monitoring fee shall be held in abeyance if the Respondent is not employed as an educator pursuant to the terms of probation above.

10. This agreement shall be void and shall have no force or effect unless signed by all parties and accepted by the EPC.

11. This agreement constitutes an offer of settlement of disputed issues of material fact until accepted and executed by all parties. If this agreement is not accepted and executed by all parties, the terms hereof shall be inadmissible in any subsequent formal or informal administrative hearing or in any other legal action between the parties.

12. The Respondent understands the provisions of this agreement, their legal effect and her rights under Florida law to a formal hearing before a hearing officer at the Division of Administrative Hearings or an informal hearing before the EPC. The Respondent specifically waives her right to both a formal and informal hearing, except she may appear before the EPC in order to urge the adoption of this agreement. The Respondent further acknowledges that she is under no duress, coercion or undue influence in signing this agreement, and that she has had the opportunity to receive the advice of legal counsel prior to signing this agreement.

13. The agreement shall be submitted to the EPC with the joint request by the parties that the EPC accept and adopt the terms of this agreement as the basis for its Final Order in this proceeding. The parties understand that the EPC has the discretion to reject this agreement and order a full evidentiary hearing on the allegations of the Administrative Complaint if, in the exercise of its discretion, it deems such action to be appropriate.

14. The Respondent waives all statutory and regulatory provisions concerning notice of hearing and agrees that this agreement may be presented to the EPC for consideration at its next regularly scheduled meeting, provided that the Respondent is given reasonable advance notice of the time, place and date of said meeting.

IN WITNESS WHEREOF, the parties have executed this agreement on this

RE: Frank Brogan vs. Cathy S. Wright
EPC File No.: 98-254-RT, Social Security #: [REDACTED]

Dear Ms. Wright:

The teacher panel of the Education Practices Commission, as you know, reviewed the matter pending against you on June 18, 1999. Based upon the panel's consideration of this matter and upon the panel's acceptance of your Settlement Agreement, you are hereby reprimanded.

This panel, composed of your peers, believes that as a teacher you are required to exercise a measure of leadership beyond reproach. By your actions, you have lessened the reputation of all who practice our profession. Your actions cannot be condoned by the profession nor by the public who employ us.

The Education Practices Commission sincerely hopes it is your intention to never allow this situation to occur again or indeed, to violate any professional obligation in fulfilling your responsibility as an educator. To violate the standards of the profession will surely result in further action being taken against you.

This letter of reprimand is being placed in your state certification file and a copy sent to the Brevard County School Board for placement in your personnel file.

Sincerely,

Toni Brummond,
Presiding Officer
